APPRECIATION

We, the Annual Staff, wish to express our deepest and most sincere appreciation to our superintendent, Mr. Neiderhiser. Through his patience and faithful guidance, we have made a firm stand on the first rung of the ladder of success. By his ever-present willingness to explain and make us understand the difficulties we met while in school, he has prepared us to meet and overcome the obstacles which we shall face on the road to success. We shall always remember him as a friend who was ever-ready and willing to help.

DEDICATION

To the Armed Forces of the United States of America, we respectfully dedicate this 1944 McClurean.

During the two and one-half years in which we have been engaged in war with the Axis countries, many of the graduates of McClure High School have been called into the service of their country.

They did not hesitate when the call came; in fact, many did not wait for the call to come. Of their own free will, they left their jobs, families, and friends to come to the aid of their country.

A large percentage of these people are now treading foreign soil, while some are still in training, inside the United States. We are fortunate that the number of war casualties for McClure is small, but it is inevitable that many more will make the supreme sacrifice before we win a complete victory.

With our hearts full of pride, we salute them and their comrades, and wish them a quick victory and a safe return.

CLASS HISTORY

Thirty pupils meekly began their high school life September 2, as frivolous Freshmen. During the year one member of our class, Nellie Damon, moved away. The following officers were elected: La Vonda Culbertson, President; Marilyn Reid, Vice President; Eunice Rudolph, Secretary-Treasurer; and Marilyn Boyer, News Reporter.

We were entertained (?) at the traditional initiation party given by the Sophomores on September 20. On October 25, we returned the questionable compliment with a party for the Sophomores.

The Sophomore class started the year out with thirty members. During the year we lost three members. They were Violet Fuhrhop, Ralph Sheely and Helena Williams. Our officers were: President, Ralph Knepley; Vice President, Charles Whitman; Secretary-Treasurer, Robert McClure.

On October 3, we gave the Freshmen their initiation party. We were then given a return party on October 23.

In September, 24 students started their Junior year at McClure High. During this year we lost two members from our class, La Vonda Culbertson who moved to Grand Rapids and Charles Whitman who is now at sea with the United States Navy.

We elected as our President, Ellen Smith; Vice-President, Mary Lou Mills; and Secretary-Treasurer, Lois Miller.

During the year the Senior class gave us a game supper. In May we gave them the annual Junior-Senior Banquet. We also gave the Junior class play "Brother Goose."

At last we reach our Senior year with a total of 23 members, two of which are married, leaving us 21 members. They were Lucille Kistner and Arlene Good.

November 5, the Senior class gave the play "Sister Susie Swings It." During our high school life we have participated in music, sports, F. F. A. and Scholarship Tests.

SENIOR PROPHECY

Wandering aimlessly not long ago, my friend and I were attracted to a dilapidated shop by the queerness of its display. Nothing of any value seemed to be exposed through the cracked and fly-specked glass. A worn and deeply nicked scythe rested in the corner, while a spent hour glass covered with dust completed the incongruous exhibition.

Upon entering we found Father Time seated in an old rickety chair sound asleep. Loud snores issuing from his cavernous mouth shook him to the depth of his gaunt and bony skeleton.

Looking over his shoulder, we discovered a massive volume which we found to be the Book of Fate, its smudged pages glowing with prophecies that heretofore only Time could tell. Its pages were opened by some enigmatic chance to the year 1964. With all due deference to venerable Father Time, we still felt it our duty to our classmates to find what would be their fates. Appropriating a grimy notebook and a feathered quill, we hoisted ourselves on three-legged stools and copied down the following:

Ellen Smith, former editor of The Newsette, now owns and operates the Toledo Blade.

The 15th squadron of the Army W.A.C. is composed of drummers. Our old classmate Eunice Rudolph now heads the group.

Our former classmate Mary Jane Booth now is matron of the Hope On Home for the homeless. We find one of her favorite charges is a retired missionary Helen Lashaway.

Mary Louise Fryman is now the Postmaster-General in President George Wells' cabinet. In case you don't know who the first lady of the land is, it is none other than Marie Duquette.

Would you believe it? Marilyn Reid, the most likely to succeed is now the mother of nine children, and at the age of thirty-eight is still happily married to a prosperous farmer.

Evelyn Kramer is now concert pianist at Carnegie Hall for Mary Lou Mills, our high school singer.

After downing fifteen Jap planes in World War II, Richard Baker, now a Major, is instructing a group of boys at Bowling Green University in flying.

Wilma Shepard is now married to the Navy man, Edwin Geitgey. They live at Great Lakes Naval Training Station where he is an instructor.

Joyce Brown, once married to Galen Houser, is now seeking a divorce at Reno. The question is who will be the next victim?

Ralph Knepley at the tender age of thirty-eight is the world wide jitterbugger.

Our only eligible bachelor, Robert McClure, is back in this part of the country again after purchasing a few oil wells in the West.

Lois Miller and Marcella Hull now are famous make-up artists for Paramount Studios in Hollywood.

Lucille Orwig is now head of the nursing staff at Flower Hospital in the nearby city of Toledo.

Phyllis Middleton is now leading lady in the Follies of 1964.

As to what happened to us, Father Time awoke and told us of our fate. After graduating from Nurses Training, Marie Hartman is now married and lives at Columbus, Ohio. Marilyn Boyer who was voted the best dancer of our class now is a partner to Fred Astaire, Jr.

At this point, Father is rather disgusted with our disturbing him. We shall now leave this dingy dilapidated shop and continue our separate ways as our former class mates have done.

ACTIVITIES

OUR COACH

Mr. Alspaugh offered his services to the school. Being an outstanding athlete himself, he has been interested in school athletics. We, the students and teams, appreciate Mr. Alspaugh's helpful directions and counsel, that have made our athletic record one of which our school is proud.

BASKETBALL

Row 1: Robert Ballmer, Galen Houser, Robert Farison, Eldon Alspaugh, Ralph Knepley, Robert McClure, Richard Baker, Bud Connolly.

VARSITY BASKETBALL TEAM

With our new coach, John Alspaugh, we had a very successful year. We lost several games, but enjoyed the sportsmanship shown by all the teams.

We won 11 games and lost 12, but outscored our opponents 759 to 670 points. Houser was high point man for the season with Farison and Ballmer close behind.

The boys went to the tournament to do their very best, and were rewarded for their efforts by taking third place. They received the tournament basketball as an award.

Because of their fine success, the boys held a banquet Friday, March 10, at the School Building, at which time the basketball letters were given out.

The boys regret losing the following players through graduation: Ralph Knepley, Bob McClure, and Richard Baker.

VARSITY PLAYERS

Robert Farison—"Fairy" was the captain for this year. He was all over the floor and played a good defensive and offensive game. He always kept calm and came through when we were in tight places. He held the guard position.

Robert Ballmer—"Bob" played a good game all year and never gave up. He played at forward and was one of the big helps on the scoring. He played a great defensive game. He is only a Sophomore and he will be a big help for the next two years.

Eldon Alspaugh — "Eldie" played at guard position. Although he wasn't so fast he still helped out with his long shots and good pass work.

Galen Houser—"Hub" was the high point man for the year and could put the ball in from any place on the floor. He played forward and was good at breaking up plays and going in for sucker shots. Being only a Sophomore, he will be a valuable player for two more years.

Ralph Knepley—"Buck" played center this year and although he did not help on the scoring so much, he helped feed the boys who did do the scoring. He played a great defensive game all through the year and got the ball off the back board. He will be missed next year.

Murrel Allen—"Frankie" is small but mighty. He was the boy who saw a lot of action. He had to play both Varsity and Reserve games many times. He played guard or forward and handled either position very well. He will be a big help for next year's team.

Robert McClure—"Bob" is a Senior. He played the center or guard position very well. He will be missed for next year's team.

Richard Baker—"Dick" is another Senior who will be missed next year. He played at forward position and helped out a lot in the tight places.

Bud Connolly—"Bud" played forward position and was a big help this year and will be for two more years. He is a good shot and plays a good floor game.

HOME ECONOMICS

The Freshman Home Economics Class of 1943-44 chose for its officers the following: Donna Boyer, President; Lois Jean Kramer, Vice-President; June Browning, Secretary-Treasurer; and Ila Jean Arnold, Buyer.

This class is quite large, but it is progressing rapidly under the supervision of Miss Hatcher.

Several members from this class served the F.F.A. and Basketball Banquets.

The Sophomore Home Economics Class welcomed two Senior girls to their class this year, Marie Hartman and Lucille Orwig. Officers elected for this class are as follows: Marie Hartman, President; Lucille Orwig, Vice-President; Rachel Browning, Secretary-Treasurer and Ruth Dull, Buyer.

Several members of this class were chosen to serve the Junior-Senior Banquet.

F. F. A.

The foundation on which the Future Farmers of America organization is built, includes leadership, character development, sportsmanship, co-operation, service, thrift, scholarship, improved agriculture, organized recreation, citizenship, and patriotism.

Our F.F.A. has taken up several co-operative enterprises this year, a chain gilt project and a junk drive. This year we put gilts out with James Shaffer, Glen Good, and Bud Connolly. Two of these gilts are Berkshires and one Chester White. In this junk drive we collected 13 tons of scrap metal. Besides helping the war effort this scrap increased our treasury $79.

The F.F.A. has also taken second place in the district Parliamentary Procedure Contest. We also took third place in a contest sponsored by Sears Roebuck & Co. Our F.F.A. took the $20 award for second place at the County Fair on our Booth exhibit, which centered around our contributions to the War effort.

The officers this year are as follows: President, George Wells; Vice-President, Robert Farison; Secretary, James Shaffer; Treasurer, Wylie Busch; Reporter, Bud Connolly; Watchdog, Lyle Shellar; and our Adviser, Mr. Eckert.

Who would ever think this was that shy girl, Eunice Rudolph? Going riding, Boyer? What's so funny, Red? Butch in her Sunday best. Hello, M. J.—Why the sour expression? How's the ice cream, Miller and Reid? Don't let the straw hat fool you—It's really Bob McClure. My, isn't she sweet? It's none other than Joyce Ellen Brown. Mills and Skeet—always clowning. Happy, girls? Some of that cold weather, I bet. Isn't love grand, though?

NEWSETTE STAFF

Row 1: Evelyn Kramer, Bob McClure, Richard Baker, Mary Lou Mills, Eunice Rudolph, Ellen Smith, Marie Hartman, Marilyn Reid, Mary Fryman, Lucille Orwig, Mary Jane Booth.

After much confusion consisting of spilling of ink, gathering of news, and repairing of machinery, the first Newsette went to press. However, after the first few editions were out, we became more collected and organized, thus making it an easier task to produce a paper for the eager (?) school public.

Once every two weeks, the typing room issued forth sounds which indicated that another Newsette was in the making. To open the door (if possible) gave further evidence that the Newsette Staff had again put their shoulders to the wheel.

We are grateful to Mrs. Warden for her understanding and co-operation in helping us to put out the paper. When everyone else was about to fly off the handle, she calmly took over and put us back on the road.

The Staff is composed of:

Editor.....Ellen Smith
Associate.....Eunice Rudolph
Business Manager.....Lucille Orwig

Exchange Editor.....George Wells
Feature Editor.....Marie Hartman
Associate.....Robert McClure

THE BAND MOTHERS

The Band Mothers started the school year with Mrs. Neva Hines as President and Mrs. Lena Shaffer as Secretary-Treasurer but because of small attendance only one meeting was held. Although the organization does not hold regular meetings, they are always ready to help the band in every way. Pins were presented to the Senior Members of the Band by the Mothers.

P. T. A.

For the school year of 1943 - 44 the Parent Teachers' Association elected the following officers: B. E. Snider, President; F. J. Neiderhiser, Vice-President; Dorothy Spangler, Secretary; Helen Rudolph, Treasurer.

At the beginning of the year the entertainment committees were appointed for each month. They planned many fine programs for the year. They secured many interesting speakers and had fine musical numbers.

The officers wish to thank everyone who co-operated in making this P. T. A. year a success.

LIBRARY

The people of McClure Village and McClure School should be very proud of the Public Library which is located in the basement of the school building. The following statement was made by the Librarian in regard to the Library and her opinion of it.

"The past year has been a very successful one. The helpfulness and courtesy of both the teachers and the pupils has been very gratifying to me.

Many new books of various types of educational value have been added to the shelves."—Leona Turner, Librarian.

The many new books we have attained were selected by the Library Board. Members of the Board are as follows: President, Wesley Miller, Mrs. Chloe Houser, Mrs. Ola Shepard, Mrs. Evelyn Bohling, Mrs. Mildred Kramer, Mrs. Lorraine Lowery, and Mr. Neiderhiser.

CHEER LEADERS

During the basketball season we played 18 games and our cheerleaders faithfully attended every game. We won more games this year then we have for quite sometime but of those we lost the cheerleaders and the cheering section backed the boys to the finish.

We were well represented at the out-of-town games as well as those played at home and this always gives the boys more reason to fight.

We all thank Marilyn, Donna, and Betty for their fine job and we are very sorry to lose Marilyn at graduation but we'll try and replace her with someone who has as much, pep, and sportsmanship as she has shown us in the last four years.

SCHOOL PERSONNEL

Mr. John Alspaugh is a versatile man. He has given our school athletics a boost by acting as our coach. We have had a very successful year. Along with that work, he has kept the building clean and heated. We are grateful to Mr. Alspaugh for his splendid cooperation and advice.

Mrs. Ruth Adams for the whole school year, and Mrs. Lillian Seekamp, for part of the school year, have given us splendid meals in our cafeteria. They have also been helpful in planning banquets and making them a success.

Mr. E. C. Bohling, Mr. Bryce Brown, Mr. Sherman Dielman and Mr. Myrl Booth make up our corps of bus drivers. All are very congenial and helpful. They take good care of the students on their way to and from school.

The U. S. Needs "Fighting Chicks" for

FOOD FREEDOM

This year Buy U. S., R. O. P. Sired Individually Pedigreed Chicks. We can supply them in six of the most productive breeds
WHITE LEGHORNS, WHITE ROCKS, BARRED ROCKS, WHITE WYANDOTTES, SINGLE COMB REDS, NEW HAMPSHIRE REDS

Your time is valuable this year—and you can't afford to waste it on cheap, non-productive chicks. Our customers come back because they know Newhauser value. Before you buy your chicks for 1944, come in and see these R. O. P. ratings. Remember—"Cheap Chicks Don't Cheep Long!" On 20,000 chicks sold locally we have had less than TWO PERCENT mortality.

THE CHICKS LIVE!

What is more healthful than milk? We have Semi-Solid "E" Emulsion with Vitamins added. Can be fed to 100 hens at a cost of only 4 eggs a day.
